Independent Auditor's Report

To the Shareholders of Navana Pharmaceuticals Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Navana Pharmaceuticals Limited**, which comprise the statement of financial position as at 30 June 2023, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 30 June 2023, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs).

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) and Bangladesh Securities and Exchange Commission (BSEC), and we have fulfilled our responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below our description of how our audit addressed the matters provided in that context.

01. Revenue Recognition

44 后午 11 11

See note no 21.00 to The Financial The Key Audit Matter	How the matter was addressed in our audit
During this year, net sales revenue of Tk. 5,706,161,022 Revenue is measured net of discounts, commission and rebates earned by customers on the sales. Within a number of the company markets, the estimation of discounts, commission and rebates recognized based on sales made during the year is material and considered to be complex and judgmental. Therefore, there is a risk of revenue being misstated as a result of faulty estimations over discounts, incentives and rebates. There is also a risk that revenue may be overstated due to fraud through manipulation of the discounts, incentives and rebates recognized resulting from the pressure local management may feel to achieve performance targets.	 We have tested the design and operating effectiveness of key controls focusing on the following: Segregation of duties in invoice creation and modification; and Timing of revenue recognition. Our substantive procedures in relation to the revenue recognition comprises the following: Obtaining supporting documentation for sales transactions recorded either side of year end as well as credit notes issued after the year end date to determine whether revenue was recognized in the correct year; Within a number of the Company's markets, comparing current year rebate accruals to the prior year and, where relevant, completing further inquiries and testing. Agreeing a sample of claims and rebate accruals to supporting documentation; Critically assessing manual journals posted to revenue to identify unusual or irregular items; Finally assessed the appropriateness and presentation of disclosures against relevant accounting standards; Performing cut-off test by obtaining delivery challan for goods delivered during the beginning of the next accounting year and at the close of current accounting year; and Inspecting VAT returns submitted to VAT authority to determine consistency of sales revenue recognized.

See Note No 3.00 to the Financial Statements

Other Information

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. But we have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, the Companies Act, 1994, the Securities and Exchange Rules, 1987 and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

MABS & J Partners Chartered Accountants

ম্যাবস এন্ড জে পার্টনার্স

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with the mall relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ম্যাবস এন্ড জে পার্টনার্স MABS & J Partners Chartered Accountants

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In accordance with the Companies Act, 1994 and the Securities and Exchange Rules, 1987 and relevant notifications issued by Bangladesh Securities and Exchange Commission, we also report the following:

- a) We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of those books;
- c) The statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account; and
- d) The expenditure incurred was for the purpose of the Company's business.

The Board of Directors of the company is responsible for the preparation and fair presentation of Financial Statements of Navana Pharmaceuticals Limited.

2.02 Statement of Compliance

The financial statements have been prepared in compliance with the requirements of the Companies Act,1994 and other relevant local laws as applicable and in accordance with the applicable International Accounting Standards (IASs), The Securities and Exchange Rules, 2020 and International Financial Reporting Standards (IFRSs) adopted by the Institute of Chartered Accountants of Bangladesh (ICAB) and others laws and regulations applicable for the company.

2.03 Regulatory Compliances

As required by the company, the management complies with the following major legal provisions in addition to the Companies Act 1994 and other applicable laws and regulations:

- a) The Income Tax Ordinance 1984 and the Income Tax Act 2023;
- b) The Income Tax Rules 1984 and the Income Tax Rules 2023;
- c) The Value Added Tax and Supplementary Duty Act 2012;
- d) The Value Added Tax and Supplementary Duty Rules 2016;

e) The Customs Act, 1969;

f) Bangladesh Labour Law, 2006 (Amended 2018);

g) Negotiable Instrument Act, 1881; and

h) The Securities and Exchange Rules, 2020.

2.04 Basis of Measurement

Measurement is the process of determining the monetary amounts at which the elements of the financial statements are to be recognized and carried in the statement of financial position and profit or loss and other comprehensive income. The measurement basis adopted by the company is historical cost of inventories are at the lower of cost and net realizable value and marketable securities (if any) are at market value. Under the historical cost, assets are recorded at the amount of cash or cash equivalents paid or the fair value of the consideration given to acquire them at the time of their acquisition. Liabilities are recorded at the amount of proceeds received in exchange for the obligation, or in some circumstances (for example, income taxes), at the amounts of cash or cash equivalents expected to be paid to satisfy the liability in the normal course of business. The Financial Statements have been prepared on a going concern basis under the historical cost convention applying accrual basis of accounting in accordance with the International Financial Reporting Standards (IFRS's).

The financial statements have been prepared on historical cost convention following the accrual concept of accounting, except for Property, Plant & Equipment which has been presented under the revaluation model. Investment in shares is valued at par value and cash flow statement has been prepared on cash basis.

2.05 Components of Financial Statements

The presentation of the financial statements is in accordance with the guidelines provided by IAS 1: Presentation of Financial Statements.

The Financial Statements comprises of:

(a) Statement of Financial Position as at 30 June, 2023;

(b) Statement of Profit or Loss and Other Comprehensive Income for the period from 01 July 2022 to 30 June 2023;

(c) Statement of Changes in Equity for the period from 01 July 2022 to 30 June 2023;

(d) Statement of Cash Flows for the period from 01 July 2022 to 30 June 2023; and

(e) Notes, comprising summary of significant accounting policies and explanatory information.

2.06 Reporting Period and Comparative Information

The Financial statements cover 12 months period starting from July 01, 2022 to June 30, 2023

Certain comparative amounts have been re-classified & rearranged to conform to the current period's

presentation and all numerical information in the current financial statements as below:

- Statement of Financial Position as at the end of the preceding financial period;

- Statement of Profit or loss and Other Comprehensive Income for the comparable of the preceding financial period;

- Statement of Changes in Equity for the comparable of the preceding financial period;

- Statement of Cash Flows for the comparable of the preceding financial period;

Narrative and descriptive information for comparative information has also been disclosed as required by IAS & IFRS whenever it is relevant for the understanding of the current Period financial statements.

2.07 Rearrangement of Financial Statements

The previous period's figure has been rearrangement whenever considered necessary to ensure comparability with the current period presentation as per IAS 8 "Accounting Policies, Changes in Accounting Estimates and Errors".

2.08 Functional and Presentation Currency

The financial statements are prepared and presented in Bangladesh Currency (Taka), which is the company's functional currency. All financial information presented has been rounded off to the nearest Taka except where indicated otherwise.

2.09 Authorization for Issue

The financial statements have been authorized for issue by the Board of Directors on 22 October 2023.

2.11 Use of Estimates and Judgments

The preparation of financial statements in conformity with the IFRSs including IASs require management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses and for contingent assets and liabilities that require disclosure, during and at the date of the financial statements.

Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision of accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

In particular, the key areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements include depreciation, inventory valuation accrued expenses, others payable, capitalization of assets and deferred liability for gratuity.

2.12 Going Concern

The company has adequate resources to continue in operation for the foreseeable future. The current resources of the company provides sufficient fund to meet the present requirements of its existing business. For this reason the management continue to adopt going concern assumption in preparing the Financial Statements. As per management assessment there is no material uncertainties related to event as condition which may cast significant doubt upon the company's ability to continue as a going concern.

2.13 Significant Accounting Policies

The specific accounting policies have been selected and applied for significant transactions and events that have a material effect within the framework for the preparation and presentation of Financial Statements.

2.14 Changes in Significant Accounting Policies

Except the changes following, the Company has consistently applied the accounting policies to all periods presented in these financial statements. The Company has initially adopted IFRS 16 'Leases' from 1 July 2019. There is no material impact on financial statements on initial application of the standards.

As a Lessee

On 1st July 2019, IFRS 16 'Lease' has been adopted and all leasing arrangements except those having less than 12 months of useful life and underlying asset values of less than BDT 425,000 (>= \$ 5000 as per IFRS 16) when new, have been capitalized as "right to use" assets with a corresponding financial liability on the balance sheet. Leased assets are capitalized from the start date of the lease agreement at the present value of the future leased payments, based on the rate of interest entered in the asset master data. Low value (less than BDT 425,000) and short term leases (less than 12 months) have been excluded from the recognition requirements and expensed in operating profit as rental costs. Lease reassessment and lease modification to increase/decrease the value of an asset depending on a change in scope of lease agreement can be made if necessary.

The lessor transfers ownership of the underlying assets to the lessee by the end of the lease term or if the cost of right-of-use asset reflects that the lessee will exercise a purchase option, the lessor shall depreciate the right-of-use asset from the commencement date to the end of the useful life of the underlying asset. Otherwise, the lessee shall depreciate the right-of-use asset from the commencement date to the end of the useful life of the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

2.15 Property, Plant and Equipment (PPE) Recognition and Measurement:

Items of property, plant & equipment are measured at cost or revalued amount less accumulated depreciation and impairment losses, if any in accordance with IAS 16: Property, Plant and Equipment. Cost includes expenditure that are directly attributable to the acquisition of the assets. The company has adopted 'Revaluation Model' for stating property, plant & equipment.

Maintenance Activities

The company incurs maintenance costs for all its major items of property, plant and equipment. Repair and maintenance, costs are charged as expenses when incurred.

Subsequent Costs

The cost of replacing a part of an item of property, plant and equipment is recognized in the carrying amount of the item if is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repair and maintenances costs are charged to the Statement of Profit or Loss and Other Comprehensive Income during the financial period in which they incurred.

Retirements and Disposals

On disposal of fixed assets, the cost and accumulated depreciation are eliminated and gain or loss on such disposal is reflected in the statement of Profit or Loss and Other Comprehensive Income, which is determined with reference to the net book value of the assets and net sales proceeds.

Depreciation

Depreciation is provided to amortize the cost of the assets after commissioning, over the period of their expected useful lives, in accordance with the provisions of IAS 16: Property, Plant and Equipment.

Depreciation on Property, Plant and Equipment has been compute during the periods using reducing balance method except Land & Land Development. Depreciation has been charged on addition when the related PPE are available.

After considering the useful life of assets as per IAS 16, the annual depreciation rates have been applied as under which is considered reasonable by the management.

Rate of Depreciation:

Particulars	Rate	Particulars	Rate
Land and Land Development		Vehicles	
Land and Land Development	Nil	Transport & Vehicles	20%
Building & Other Construction		Motor Cycle	20%
Factory Building	10%	Furniture & Fixture	
Office Decoration	10%	Furniture & Fixtures	10%
Pump House Construction	20%	Rack & Pallets	15%

Lab Equipment		Sundry Assets	15%
Quality Control Equipment	15%	Books	10%
Tools & Equipment's	15%	Software	20%

2.16 Right-of-Use Asset

IFRS 16: Leases has introduced a single on-balance sheet lease accounting model for leases and replaces the previously adopted IAS 17: Leases. The standard requires that an asset acquired under a lease be recognized as Right of use Asset and the corresponding liability as lease liability. The Lease shall measure the lease liability at the present value of the future lease payment discounted using the interest rate implicit in the lease. The asset shall be depreciated over the lease period and the interest on the lease shall be charged as finance expense.

The Company has been consistently recording its underlying assets acquired under lease as right-of-use assets and the corresponding obligation as Lease Liabilities in the financial statements. The company has reclassified the assets acquired under the lease into "Right-of-use Assets" and presented them in the Statement of Financial Position following IFRS 16. Interest costs on lease liabilities and depreciation of Right-of Use Assets are charged to the profit or loss account.

Depreciation on Right of Use Assets

Depreciation on Right of use Assets (Finance Lease) is computed using the straight line method so as to write off the assets over their expected useful life. After considering the useful life of assets as per IAS 16 Property, Plant & Equipment the annual depreciation rates applied under which is considered reasonable by the management. Depreciation of an asset begins when it is available for use i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by the management.

2.17 Intangible assets

Recognition and Measurement

Intangible assets that are acquired by the Company and have finite useful lives are measured at cost less accumulated amortization and accumulated impairment loss, if any. Intangible assets are recognized when all the conditions for recognition as per IAS 38: Intangible Assets are met. The cost of an intangible asset comprises its purchase price, import duties and non-refundable taxes and any directly attributable cost of preparing the asset

Subsequent Costs

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditures are recognized in statement of profit or loss and other comprehensive income as incurred. Amortization

Software are amortized over 5 periods based on straight line method from the date when assets are available for use. The amount of amortization has been presented under the statement of rate of amortization on software is

Particulars	20 1 2020
Software	30 June, 2023
ontinare	20%

2.18 Capital Work in Process

Property, plant and equipment under construction/ acquisition are accounted for as capital work-in progress until construction/ acquisition is complete and measured at cost. As the capital work in process has not yet been finished and is not contributing to the production process to generate revenue, depreciation is not applied for capital work in process as per Generally Accepted Accounting Principles (GAAPs- revenue and expense

2.19 Inventories

Inventories are carried at the lower of cost and net realizable value as prescribed by IAS 2: Inventories. Cost is determined on weighted average cost basis. The cost of inventories comprises of expenditure incurred in the normal course of business in bringing the inventories to their present location and condition. Net realizable value is based on estimated selling price less any further costs expected to be incurred to make the sale.

2.20 Income Tax

Income tax expense comprises of current and deferred tax. Income tax expense is recognized in the Statement of Profit or Loss and Other Comprehensive Income and accounted for in accordance with the requirements of IAS

a) Current Tax:

Current income tax expense represents the sum of the tax currently payable. Applicable Tax Rate is 22.5%. "Current tax is the expected tax payable on the taxable income for the period and any adjustment to tax payable in respect of previous periods as per the provisions of Income Tax Ordinance, 1984 and Income Tax Act, 2023.

b) Deferred Tax:

The company has recognized deferred tax using balance sheet method in compliance with the provisions of IAS 12: Income Taxes. The company's policy of recognition of deferred tax assets/ liabilities is based on temporary differences Taxable or (deductible) between the carrying amount (Book value) of assets and liabilities for financial reporting purpose and its tax base, and accordingly, deferred tax income/expenses has been considered

A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available, against which temporary differences can be utilized. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

VAT for the Company

VAT on the Company's product at 15% as Value Added Tax and Supplementary Duty Act-2012.

2.21 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial Instruments comprise Financial Assets and Financial Liabilities which are recognized, classified, measured and reported following IFRS-9: Financial Instruments.

Dhak

2.22 Financial Assets

Financial assets of the company include cash and cash equivalents, accounts receivable, other receivables and investments in marketable securities.

The company initially recognizes receivable on the date they are originated. All others financial assets are recognized initially on the date at which the company becomes a party to the contractual provisions of the transaction. The company derecognizes a financial asset when, and only when the contractual rights or probabilities of receiving the cash flows from the asset expire or it transfer the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risk and rewards of ownership of the financial asset are transferred.

Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, in transit and with banks on current and deposit accounts which are held and available for use by the company without any restriction. There is insignificant risk of change in value of the same.

Trade and other Receivables

Accounts receivable are created at original invoice amount less any provisions for doubtful debts. Provisions are made where there is evidence of a risk of non-payment, taking into account aging, previous experience and general economic conditions. When an accounts receivable is determined to be uncollected it is written off, firstly against any provision available and then to the profit and loss account. Subsequent recoveries of amounts previously provided for are credited to the profit and loss account.

Investment in Marketable Securities (Fair Value)

Investment in Marketable Securities are measured at fair value. Unrealized Gain or Loss on these financial assets are recognized in "Other Comprehensive Income." At the time of derecognition, related Gains or Losses is

reclassified to "Profit or Loss" from "Other Comprehensive Income".

Bad Debt Policy

The provision for bad debt is determined as 0.1% of net local sales for the relevant period consistently which reflect the historical pattern of doubtful or bad receivable. The provision or doubtful or bad debt is written off on the basis of the result of legal procedure.

Advance, Deposits and Prepayments

Advances are initially measured at cost. Since initial recognition, advances are carried at cost fewer deductions, adjustments, or charges to other account heads such as Property, Plant and Equipment, Inventory or Expenses. Deposits are measured at payment value. Prepayments are initially measured at cost. After initial recognition, prepayments are carried at cost less charges to Statement of Profit or Loss and Other Comprehensive Income.

Financial Liability

Financial liabilities are recognized initially on the transaction date at which the company becomes a party to the contractual provisions of the liability. The company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire. Finance liabilities include payable for expenses, liability for capital expenditure and other current liabilities.

2.24 Capital Reserve

As per board approval Capital Reserve has been credited from Retained Earning as on 30 June 2023.

2.25 Impairment

Financial Assets

Accounts receivable and other receivables are assessed at each reporting date to determine whether there is any objective evidence of impairment. Financial assets are impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset and that the loss event had a negative effects on the estimated future cash flows of that asset, that can be estimated reliably. Objective evidence that financial assets are impaired can include default or delinquency by a debtor, indications that a debtor or issuer will enter bankruptcy etc.

Non-Financial Assets

An asset is impaired when its carrying amount exceeds its recoverable amount. The company assesses at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use. Carrying amount of the assets is reduced to its recoverable amount by recognizing an impairment loss if, and only if, the recoverable amount of the asset is less than its carrying amount. Impairment loss is recognized immediately in profit or loss, unless the asset is carried at revalued amount. Any impairment loss of a revalued asset shall be treated as a revaluation decrease.

2.26 Revenue from Contracts with Customers

In compliance with the requirements of IFRS 15: Revenue from Contracts with Customers, revenue is recognized when the company fulfills the performance obligations in contract with the customers. It usually occurs when customers take possession of the products or goods are delivered at destination specified in the contracts and recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, and there is no continuing management involvement with the goods.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable net of returns and allowances, trade discounts, rebates and Value Added Tax (VAT).

2.27 Related Party Transaction

The objective of "Related Party Disclosures", IAS 24 is to ensure that an entity's financial statements contain the disclosures necessary to draw attention to the possibility that its financial position and profit or loss may have been affected by the existence of related parties and by transactions and outstanding balances with such parties. Parties are considered to be related if one party has the ability to control the other party or to exercise significant influence or joint control over the other party in making financial and operating decisions. A party is related to an entity if: [IAS 24.9] directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, the entity has an interest in the entity that gives it significant influence over the entity, has joint control over the entity, the party is a member of the key management personnel of the entity or its parent, the party is a close member of the family of any individual, the party is an entity that is controlled, jointly controlled or significantly influenced by or for which significant voting power in such entity resides with, directly or indirectly, any individual and the party is a post-employment benefit plan for the benefit of employees of the entity. The information as required by IAS 24: Related Party Disclosures has been disclosed in note 32 to the accounts.

2.28 Finance Cost

Financial expenses comprise interest expenses on long term loan, short term loan and finance lease etc. All such costs are recognized in the statements of profit or loss and other Comprehensive Income except those are capitalized (if any) in accordance with IAS 23: Borrowing Costs.

2.29 Provisions

As per "IAS 37: Provisions, Contingent Liabilities and Contingent Assets' A provision is recognized in the statement of financial position when the company has a legal or constructive obligation as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provision is ordinarily measured at the best estimate of the expenditure required to settle the present obligation at the date of statement of financial position. Where the effect of time value of money is material, the amount of provision is measured at the present value of the expenditures expected to be required to settle the obligation.

2.30 Other Income

Export Incentives

Cash Incentives for export are recognized when all conditions as laid done in the relevant incentive scheme including receipt of export remittances are satisfied and the right to claim the incentives are established.

Gain from Disposal of Property, Plant & Equipment

Gain arises from sale of disposed of old machineries as scrap, vehicles is recognized as other income. **Toll Income**

Toll income is recognized when services are delivered and there remains no unfulfilled obligation in connection with the service.

Interest Income

Interest income from savings account is recognized on accrual basis.

Dividend Income

Dividend Income from marketable securities is recognized when received.

Realized Gain/(loss) from Sale of Marketable Securities

Realized Gain or Loss from the sale of marketable securities are recognized in Other Income.

Income from PF Contribution Forfeiture

Forfeited PF Contribution of resigned members are recognized as Other Income.

Forex Gain/(Loss)

Gain of Loss arising from movement in foreign currency exchange rate from the booking date is recognized in Other Income.

Sales of Wastage

Sale proceed from wastage of various items at factory is recognized as other income.

2.31 Employee Benefits

The company maintains both defined contribution plan and defined benefit plan for its eligible permanent employees. The eligibility is determined according to the terms and conditions set forth in the respective deeds.

The company has accounted for and disclosed employee benefits in compliance with the provisions of IAS 19: Employee Benefits. The cost of employee benefits is charged off as revenue expenditure in the period to which the contributions relate. The company's employee benefits include the following:

Defined Contribution Plan (Provident Fund)

The company has a registered provident fund scheme (Defined Contribution Plan) for employees of the company eligible to be members of the fund in accordance with the rules of the provident fund constituted under an irrevocable trust. Employees contribute 10% of their basic salary to the provident along with the Company that makes an equal contribution. The company recognizes contribution to defined contribution plan as an expense when an employee has rendered services in exchange for such contribution. The legal and constructive obligation is limited to the amount it agrees to contribute to the fund.

Defined Benefit Plan (Gratuity)

This represents unfunded gratuity scheme for its permanent employees. Though no valuation was done to quantify actuarial liabilities as per the IAS 19: Employee Benefits, such valuation is not likely to yield a result significantly different from the current provision.

Contribution to Workers' Profit Participation and Welfare Funds (WPPF)

The company contributed to the WPPF Fund as per provisions of the Bangladesh Labour Act-2006 (amendment) Act 2018 and is payable to workers as defined in the said law.

Short-Term Employee Benefits

Short-term employee benefits include salaries, bonuses etc. Obligations for such benefits are measured on an undiscounted basis and are expensed as the related service is provided.

Insurance Scheme

Employees of the company are covered under group insurance schemes.

2.32 Earnings Per Share (EPS)

Basic Earnings Per Share

The Company calculates its Earnings per Share (EPS) in accordance with IAS 33 "Earnings per Share" which has been shown on the face of Statement of Profit or Loss and Other Comprehensive Income.

Basic Earnings

This represents earnings for the period attributable to the Ordinary Shareholders. As there are no preference dividends, minority interest or extra ordinary items, the net profit for the period has been considered as fully attributable to Ordinary Shareholders.

Basic Earnings Per Share

Basic EPS is calculated by dividing the profit or loss attributable to Ordinary Shareholders of the company by the weighted average number of Ordinary Shares outstanding during the period.

Weighted average number of ordinary shares outstanding during the period. The basis of computation of number of shares in line with the provisions of IAS 33: Earnings per share. Therefore, the total number of shares outstanding at the period multiplied by a time-weighting factor which is the number of days the specific shares were outstanding as proportion of total number of days in the period.

Diluted Earnings Per Share (DEPS)

Diluted EPS is determined by adjusting the profit or loss attributable to Ordinary Shareholders and weighted average number of Ordinary Shares outstanding, for the effect of all dilutive potential Ordinary Shares. However, dilution of EPS is not applicable for this Financial Statements as there were no potential Ordinary Shares during the relevant period.

2.33 Foreign Currency Transactions

Foreign currency transactions are recorded at the applicable rates of exchange ruling at the transaction date.

The monetary assets and liabilities, if any, denominated in foreign currencies at the financial position date are translated at the applicable rates of exchanges ruling at that date. Exchange differences are charged off as revenue expenditure in compliance with the provisions of IAS 21: The Effects of Changes in Foreign Exchange Rates.

2.34 Statement of Cash Flows

The Statement of Cash Flow has been prepared in accordance with the requirements of IAS 7: Statement of Cash Flows. The cash generated from operating activities has been reported using the Direct Method as prescribed by the Securities and Exchange Rules, 2020 and as the benchmark treatment of IAS 7, whereby major classes of gross cash receipts and gross cash payments from operating activities are disclosed.

As per Bangladesh Securities and Exchange Commission Notification No. BSEC/CMRRCD/2006/158/208/Admin/81 dated 08 August, 2018 Cash Flows From operating activities has been reconciled with net income using the indirect method.

2.35 Impact of COVID-19

The Company through out the COVID lock down remained open and continued to manufacture, distribute, sale the life saving medicines in the market. The healthcare and certain other essential services remained exempted from the lockdown, ensuring uninterrupted production and supply with highest priority on the health and safety of the employees was indeed challenging. Management took various mitigating measures to confront this unforeseen situation and continued its production and supply of products overcoming the challenges in the global supply chain constraints. Directors are continually reviewing the local and global situation of the pandemic and the associated risks affecting the operation of the business.

As the country gradually adapts to the new environment, the economy started showing signs of recovery in the post balance sheet period. While there are uncertainties how the COVID-19 situations evolve and affects the business in the future, given the currently prevailing situation, directors believe that there is no material adverse effect of the pandemic on the business's continuity in the foreseeable future. Excepting above, no circumstances have arisen since the date of Statement of Financial Position which would require adjustment to, or disclosure in, the financial statements or notes thereto.

2.36 Events After the Reporting Period

Events after the reporting period that provide additional information about the company's position at the date of Statement of Financial Position or those that indicate that the going concern assumption is not appropriate are reflected in the financial statements. Events after reporting period that are not adjusting events are disclosed in the notes when material.

2.37 Operating Segments

Segmental reporting is applicable for the company as required by "IFRS 8: Operating Segments" as the company operates in a single industry segment and within as a geographical segment

2.38 Measurement of Fair Values

When measuring the fair value of an asset or a liability, the company uses market observable data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

a) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

b) Level 2: inputs other than quoted prices included in level 1 that are observable for asset or liability, either directly (i.e. as prices) or indirectly (i.e. Derived from prices).

c) Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability might be categorized in different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Company recognizes transfers between levels of the fair value hierarchy at the

end of the reporting period during which the change has occurred.

2.39 Contingencies

Contingencies arising from a claim, litigation assessment, fines, penalties etc. are recorded. It is probable that a liability has been incurred and the amount can be measured reliably in accordance with "IAS 37: Provisions, Contingent Liabilities and Contingent Assets"

2.40 Risk Exposure

Risk Management Framework

The management is responsible for the establishment and oversight of the company's risk management policies that are established to identify and analyzed the risks faced by the company, to set appropriate risks limits and controls, and to monitor risks and adherence to limits. Management discloses the exposures to risk and how they arise as well as its objectives, policies and processes for managing the risk and the methods used to measure the risk. The company has exposures to the following risks from its use of Financial Instruments.

ii. Credit Risk;

iii. Liquidity Risk.

Market Risk

Market risk is the risk that any changes in market prices such as foreign exchange rates, interest rate and investment in freely traded share of stock exchange will affect the company's income or the value of its holdings financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a Financial Instrument will fluctuate because of changes in market interest rates.

Currency Risk

The Company is exposed to foreign currency risk relating to purchases, which are denominated in foreign currencies. The company primarily utilizes forward exchange contracts with maturities of less than one period to hedge such Financial Liabilities denominated in foreign currencies. The forward exchange contracts entered into at the reporting date also relate to anticipated purchases, denominated in foreign currencies, for the subsequent period.

Credit Risk

Credit risk is the potential financial loss resulting from the failure of a customer or counterparty to settle its financial and contractual obligations to the company as and when they fall due. Management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. Credit evaluations are performed on all customers requiring credit over a certain amount. At the reporting date there were no significant concentrations of credit risk. The maximum exposure to credit risk is represented by the carrying amount of each financial asset in the statement of financial position. However, due to a large number of parties comprising the group's customer base, Management does not anticipate material losses from its debt collection.

Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its Financial Obligations as they fall due. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when become due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company ensures that it has sufficient Cash and Cash Equivalents to meet expected operational expenses, including Financial Obligations through preparation of the Cash Flow forecast, prepared based on timeline of payment of the Financial Obligation and accordingly arrange for sufficient liquidity/fund to make the expected payment within due date. Moreover, the Company seeks to maintain short-term lines of credit with scheduled commercial banks to ensure payment of obligations in the event that there is insufficient cash to make the required payment. The requirement is determined in advance through Cash Flows projections and credit lines facilities with banks are negotiated accordingly.

Expiry of Any Revenue-Generating Contract that May Adversely Affect the Business: The Company has no long-term contract with their customers so not in risk of expiry of any revenue-generating contract. External Risk Factors May Include Among Others: Industry Risk:

i) Environmental Issue: Environmentalists are likely to create pressure on government to protect or banning those factories, which are not follow proper ETP, waste management solution, Air pollution etc. which are negative effects on living being and environment thereby causing closure of business of the company. We have a good setup for ETP and incinerator for waste management, a very good and sophisticated fire alarm system with integrated fire hydrant and firehouse arrangement with carbon dioxide fire extinguisher, dry powder and sand bucket. The company also strictly follows the laid down regulations for marketing the products and therefore does not foresee any problems in doing the business.

ii) Political Risks: Bangladesh is prone to serious unrest in the political condition which produces Strike, Road-Block and Domestic Terror Attacks in Bangladesh could increase over the coming months, this could have an adverse impact on the country's economic growth prospects as investors, expatriates, and tourists may be deterred. During the last forty periods of post-independence period, Bangladesh has gone through a variety of political situations. At present political situation is much stable in the country as the oppositionist not much active in the field. Last democratic national assembly election and local council polls are instances of peaceful political situation in Bangladesh.

Notes	Particulars	Amount in Tak	Amount in Taka		
29.00	Earnings Per Share (EPS)	30-Jun-2023 30	0-Jun-2022		
	Farnings attailant 11 and a su				
	Laimings attributable to the Ordinary Shareholdors				
	Earnings attributable to the Ordinary Shareholders Number of Ordinary Shares	356,943,215	274,001,538		
	Number of Ordinary Shares Earnings Per Share (EPS)	356,943,215 99,413,855	274,001,538		

Reasons for Deviation: Increase in 20% Sales Revenue and Net Profit 30% resulted in the increment of Earnings Per Share as well.

Weighted Average Number of Ordinary Shares Outstanding: The weighted average number of ordinary shares outstanding during the year is the number of ordinary shares outstanding at the beginning of the period, adjusted by the number of ordinary shares issued during the year multiplied by a time-weighted factor. The time- weighted factor is the number of days that the shares are outstanding as a proportion of the total number of days in the year (considering 180 days in a period).

Weighted Average Number of Ordinary Shares Outstanding during the year:

Date of Allotment	Ordinery Shares Nos	Weighted no. days	Calculation	Weighted no. Shares
OS Shares as on 1st July ,2022 16/10/2022	80,230,150	100%		00.000.170
	23,201,750	258	(23,201,750*258/365)	80,230,150
19/10/2022	3,984,317	255	(3,984,317*255/365)	16,400,141
Closing Balance as on 30-06-2023	107,416,217			2,783,564
	107,110,217			99,413,855

29.01 Dilution of Earnings Per Share: No diluted earnings per share is required to be calculated for the period presented as there was no item issued by the company, as such no scope for dilution of shares during the period.

30.00 Net Asset Value (NAV) Per Share

Total Assets		
Less Total Liabilities	9,589,744,427 7.084.1	00,333
Net Assets		51,009
Number of Ordinary Shares	4,372,445,074 3,483,04	
Net Asset Value (NAV) Per Share	107 41 6 04 5	30,150
	40.71	43.41

Reasons for Deviation: NAV is decreased, due to increase of number of ordinary shares during the year.

31.00 Net Operating Cash Flow Per Share (NOCFPS)

Net Cash Generated from Operating Activities193,743,209199,359,417Number of Ordinary Shares107,416,21780,230,150Net Operating Cash Flow Per Share (NOCFPS)1.802.48

Reasons for Deviation: Despite increase of business volume NOCFPS is decreased due to increase a payment of outstanding supplier bills and increase number of share issue.

Operating segments

(i) Basis for segmentation

The Group has the following

Reportable Segments	Operation
1. Human Health	Manufacturing, marketing and selling of pharmaceutical products in home and abroad
2. Veterinary	Manufacturing, marketing, distributing and selling of veterinary, poultry and fisheries products.

Operating results of two segments are regularly reviewed by the Managing director and board members to make decisions about resources to be allocated to the segment and to assess its performance and for which discrete financial information is available.

Information related to each reportable segment is set out below. Segment profit before tax is used to measure performance because management believes that this information is the most relevant in evaluating the results of the respective segments relative to other entities that operate in the same industries:

		For the year ended	30 June 2023

Trade and Other Payables (Increase)	152,218,271	79,437,370
Net Cash Generated by Operating Activities	193,743,209	199,359,418
0 Events after reporting data		

39.00 Events after reporting date

39.01 The Board in its meeting dated 22 October 2023 recommended that 13 % cash dividend i.e. Tk. 1.13 per share to be paid for the year 2022-2023. The dividend proposal is subject to shareholders' approval at the forthcoming annual general meeting.

39.02 Foreign exchange loss includes loss arising from the translation of foreign currency short term loan-UPAS. Under IAS 21, closing rate has to be used to convert foreign currency assets and liabilities. Consistent with past practice, the BC selling rate of Tk.108.84 /USD as on 30 June 2023 has been used as the closing rate. Subsequently, up to the 30-06-2023 the average rate with different banks was Tk. 108.84 /USD. Had this rate been used for the translation of the total foreign loans the impact in currency loss would have been even higher.

40.00 Difference in accounting year

Accounting year of the company is ended on 30.06.2023 under the reporting period where acccounting year of NPL Employee Provident Fund, Gratuity fund is ended on December 2022. So there is separate reconciliation is prepared to match with the expenses presented here.
